

Badger Class – Summer 1
Pre Learning Task

We are looking at Minibeasts this half of term.

What is your favourite minibeast/insect? Draw and label it below with the name of this minibeast/insect. You can, if you rather, paint it, make a collage; make a junk model – your choice! Once you have drawn it write a fact about it. Bring in your work on Monday 15th April 2024 so that we can share and display your work.

If you have a book on minibeasts/insects you can bring it into school for us to keep in school to share and read – it can be either a fiction or Non-fiction book. (We will return them!)
