

Hedgehogs and Kingfishers Home Challenges – Spring term 1

This term we are focusing on 'Food' and where it comes from. Through this we will explore a variety of text types including story writing and recipes using Mini Grey's story of Biscuit Bear. Mini Grey will be our focused author of the term and we will explore some of the other fantastic stories she has written. In science we will be exploring plants and their structures as well as exploring the seven continents and where our food comes from.

Please colour each activity you have chosen to complete, include the date and bring it in to school where we will display it for everyone to enjoy. We are looking forward to seeing your homework completed to a high standard and thought about carefully. Please ask if you need any help or resources.

Communication, Language and Literacy	Problem Solving, Reasoning and Numeracy	Knowledge and Understanding of the World	Creative Development	Personal, Social and Emotional Development
<p>Diary entry</p> <p>Keep a food diary for a day.</p> <p>Create a table or graph to show how much of each type of food you eat in a day.</p>	<p>How much?</p> <p>Go Shopping! Can you find the right money to pay? Can you work out how much change you will get? Keep a copy of your receipt and draw the coins you paid with and the coins you received as change. Remember to photograph yourself in action!</p>	<p>Investigate</p> <p>Plant some food to grow at home. This could be as simple as cress or as adventurous as an apple tree! Keep a seed dairy (written or photographed) as your food developments.</p>	<p>Friends</p> <p>Design a new friend for Biscuit Bear. What would they be made of? What makes them a good friend?</p>	<p>Compassion</p> <p>Discuss with your family and friends how you can show compassion for the people around you. Make a plan about how you will be more compassionate this half term.</p>
<p>Author focus</p> <p>Who is Mini Grey? Research our author of the half term and discover what other books they have written.</p>	<p>Shapes around us</p> <p>List all the foods in your kitchen which are packaged in a cuboid? What other 3D shapes can you find?</p>	<p>Ingredients</p> <p>What ingredients are needed to make biscuits. Where in the world do they come from?</p>	<p>Modelling</p> <p>Create a 3D model of biscuit bear or another character using materials of your choice.</p>	<p>Your choice</p> <p>You have the choice to create a piece of homework based on our topics.</p>
