

Hedgehogs and Kingfishers Home Challenges – Spring term 2

This term our focus is ‘Into the Woods’ looking at the environment and the things that live in it.

Please colour each activity you have chosen to complete, include the date and bring it in to school where we will display it for everyone to enjoy. We are looking forward to seeing your homework completed to a high standard and thought about carefully. Please ask if you need any help or resources.

<p>World Book Day</p> <p>For world book day think about your favourite authors and book. Create a list of books and authors you would like to read over the next year. How many can you tick off this term?</p> 	<p>Problem solving</p> <p>Create your own calculation problems linked to the woods For example: A tree was 25m tall and 5m was chopped off, how much is left? I saw 10 badgers and 18 foxes, how many animals did I see in total?</p>	<p>Weather Detective</p> <p>Keep a diary of the weather for a week. Can you present what you find in a graph? Create some questions to interpret your data. How many days did it rain? What was the hottest or coldest temperature?</p> 	<p>Artist Time</p> <p>Draw or make a picture of the woods. You can use any materials you like.</p> 	<p>Why are the woods important?</p> <p>Create a poster to educate others in why woodland areas are so important to look after.</p> 
<p>Living things</p> <p>Create a fact file about your favourite animal that lives in the woods.</p>	<p>How big?</p> <p>Find some objects from the environment. Measure them and place them in an order.</p> 	<p>Get out and about</p> <p>Go for a walk with your family or friends. Use your senses to describe your experiences. Can you spot any signs of wildlife?</p>	<p>Get Creative</p> <p>Create a woodland shelter for you or an animal. Think about what makes it a ‘good’ shelter.</p> 	<p>Your choice</p> <p>You have the choice to create a piece of homework based on our topics.</p>
