LO: To think of adjectives (words which describe) animals from the book.

Activity:

Look at this animal and talk with your adult about what you see.

Make a mind map of all the different ways you can describe what the animal looks like - your adult can do most of the writing for this as we are just thinking and talking for this activity. However, I would like you to write some words.

Please title it with the animal's name. When writing your child may write 'oul' as this is the spelling of the sound they know.

Try and phonetically spell - if they write fly - it may be **f**ligh, brown - **b**roun etc.
