## Split Pin Knight

**EAD** - Manipulates materials to achieve a desired effect (**EMM**)

**EAD** - Constructs with purpose in mind using a variety of resources (**EMM**)

**EAD** - Uses tools and techniques competently and appropriately (**EMM**)

Today you are going to make a split pin knight.

Look at the split pin template on the class webpage.

You can either draw your own knight onto some card - you could use a cereal box again and cut out the pieces and attach them either with split pins or any other item your adult has available such as string or wool.

Or you can print the template off and use this!
