

Around and round and round we go,

When we get home we have a zero.

Start at the top and down we run,

That's the way we make a one.

Around and back on a railroad track

Two, two, two

Around the tree and around the tree,

That's the way we make a three.

Down and over, down some more

That's the way we make a four.

Down and around then a flag on high

That's the way we make a five.

Down we go and make a loop,

Number six makes a hoop.

Across the sky and down from heaven,

That's the way we make a seven.

Make an 's' and do not wait

When it's joined up you have an eight.

Make a loop and then a line,

That's the way we make a nine.
