

Towns and cities

Easter holiday pre-learning task

To kick start our learning on towns and cities, we would like you to take a visit to a local town or city. This could be Wellington or somewhere further afield.

- 1) Draw and label some of the buildings, shops and houses that you find
- 2) Find out what is the town known for?
- 3) Bring back an artefact (this could be a postcard, photo, leaflet or a rubbing of a building)

We look forward to learning about your town/cities discoveries. You can send photos through to us on the class dojo.

Happy Easter!

Mrs. Isherwood, Miss Harris and Mrs Reid.
