## Coat of Arms

**EAD** - Manipulates materials to achieve a desired effect (**EMM**)

**EAD** - Constructs with purpose in mind using a variety of resources (**EMM**)

**EAD** - Uses tools and techniques competently and appropriately (**EMM**)

Yesterday you designed your 'coats of Arms.' Today you are going to make a shield and stick your coats of arms onto it.

Find a piece of cardboard - a cereal box would be great. Cut out your shield in the shape you want - you may ask your adult to help. Cover with tin foil. You may want to use a pencil to squiggle on an edging. To decorate your shield with your coats of arms design you can

- Stick on your coat of arms.
- Use the pencil to etch it on.
- Or if you want to try something different use sharpies - if your adult has them and will let you use them - to draw your 'Coat of Arms' on.
