

English Wednesday 13th January 2021

LO: To mind map items the snowball picked up when rolling down the mountain.

To remind yourself of the story watch it again on:

<https://www.youtube.com/watch?v=2mSl7JKYSbU>

Or use the story maps from last week.

Talk with your child about the items Snowball picked up when tumbling and rolling down the mountain.

Make a mind map of the items that Snowball picks up. See the video on Class Dojo for a demonstration.

Please refer to the activity planning I send to you on your child's Class Dojo Portfolio tailored to suit their level of learning. Please follow this when working with your child to make sure they are working within their own knowledge allowing them to be confident in what they are doing.

Remember - your children will be phonetically sounding out the words - they will not be spelt correctly - this is ok - they are using the sounds that they know.
