

Home Challenges - Hedgehog Class

Spring Term Two - Castles and dragons (continued) and plants (science)

As part of our science and forest school learning this half term, we will be looking at plants.

<p>Perform and record your own poem for World Book day. You could write the poem out and bring it in to read?</p> <p><a href="https://www.worldbookday.com/book/all-poems-aloud/">https://www.worldbookday.com/book/all-poems-aloud/</a></p> 	<p>Can you find five fabulous facts about a <b>bearded dragon</b>? Present in a way of your choosing.</p> 	<p><b>What do plants need to grow?</b></p> <p>As we enter into spring, plants are beginning to grow. Research what a plant needs to grow healthy. Share your research as a fact page with a diagram.</p> <p>Can you plant your own seeds and look after them?</p>	<p><b>What is growing in your garden?</b></p> <p>Find 4 different plants that are growing in your garden (if you don't have a garden, head to the park). Look at and draw them carefully. If you know what they are called have a go at labelling them.</p>	<p><b>What do you eat?</b></p> <p>What plants do you eat at home? Keep a food diary for a week that shows the different plants you have been eating. Do you know what part of the plant they come from?</p> 
<p>Due in week (03/03)</p>	<p>Due in week 2 (10/03)</p>	<p>Due in week 3 (17/03)</p>	<p>Due in week 4 (24/03)</p>	<p>Due in week 5 (31/03)</p>
