LO: To think say what I like to do best in winter.

Today I am going to be starting work on a new book called 'Secrets of Winter' written by and illustrated by...

Please look at the video on class dojo. When I ask a question on the video pause it and talk with your child and write their answers.

What season do you think this book is about? Pause video

Autumn? Winter? Spring? Summer?

Why do you think it is winter - what gives it away?

Pause video and write a list of words which your child says.

Activity.

With your child talk about what they like to do in winter -

Practise saying "In winter I like to..." for example

In winter I like to wrap up warm

In winter I like to play in the snow

In winter I like the frosty morning

Ask your child to pick their favourite and record them saying "In winter I like to..."

Upload onto class dojo - I will try and make a film of you and upload onto the class story.
