LO: To recall parts of the book.

Watch the video and pause when a question is asked.

What do you think "Secrets of winter" means? Pause the video.

Talk with your child about what this may mean and make a note of what they say.

Continue with the video, and before I turn the page pause the video and ask your child what they think will be hiding in each page from the description.

At the end, ask your child - is this a fiction (made up) or non-fiction (real) book.

This is a non-fiction book as the content is based on facts. It is an information book.

Activity: On Class Dojo.

Talk with your child and ask them what animals they can remember from the book.

Write these down either as a list or mind map.

- 1) Have a look at the pictures and sort them into animals from the book and those which were not.

You can either:

- a) Print and stick on to the table.
- b) Draw your own table and draw the animals in the right columns.

Please upload photos onto your child's portfolio.

Thank you.
