LO: To remember what seeds/plants need to grow?

Think of the story 'The Tiny Seed.' What does the seed need to grow?

Look at the PDF on class webpage to remind yourself on what seeds need in order to grow.

Complete the activity to show your learning and then design your own seed packet.

If you could make any plant - what would it be? Have a think...then think what would you need to make it grow? It can be as crazy as you like. For example:

If I could grow anything it would be doughnut tree!

To help it grow it will need...

- Sun
- Love
- hundreds and thousands
- lots of sugar!
