The Creation Story.

**God said:
“Let there be
light!”**

God said:
“It is good!”

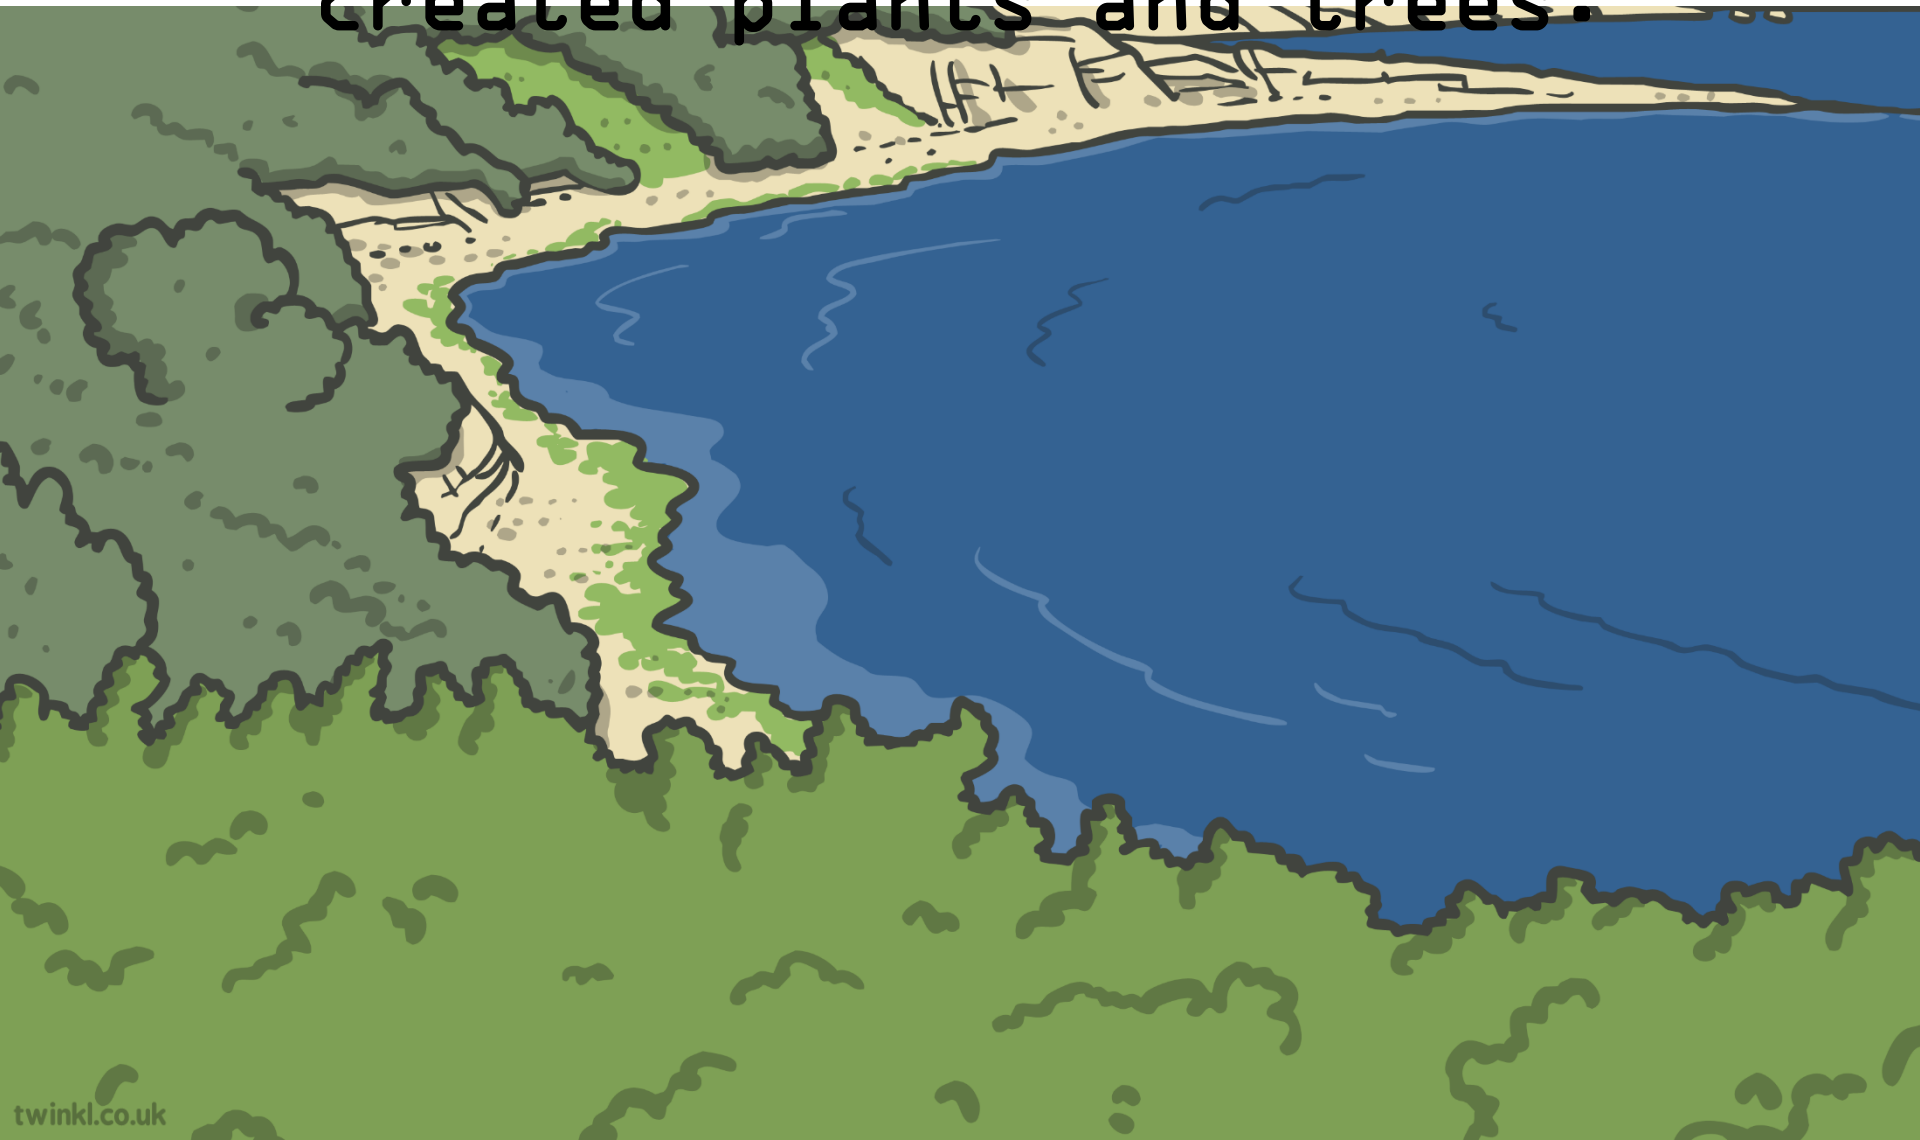

God separated the light from the darkness. He called the light "day" and the darkness "night".

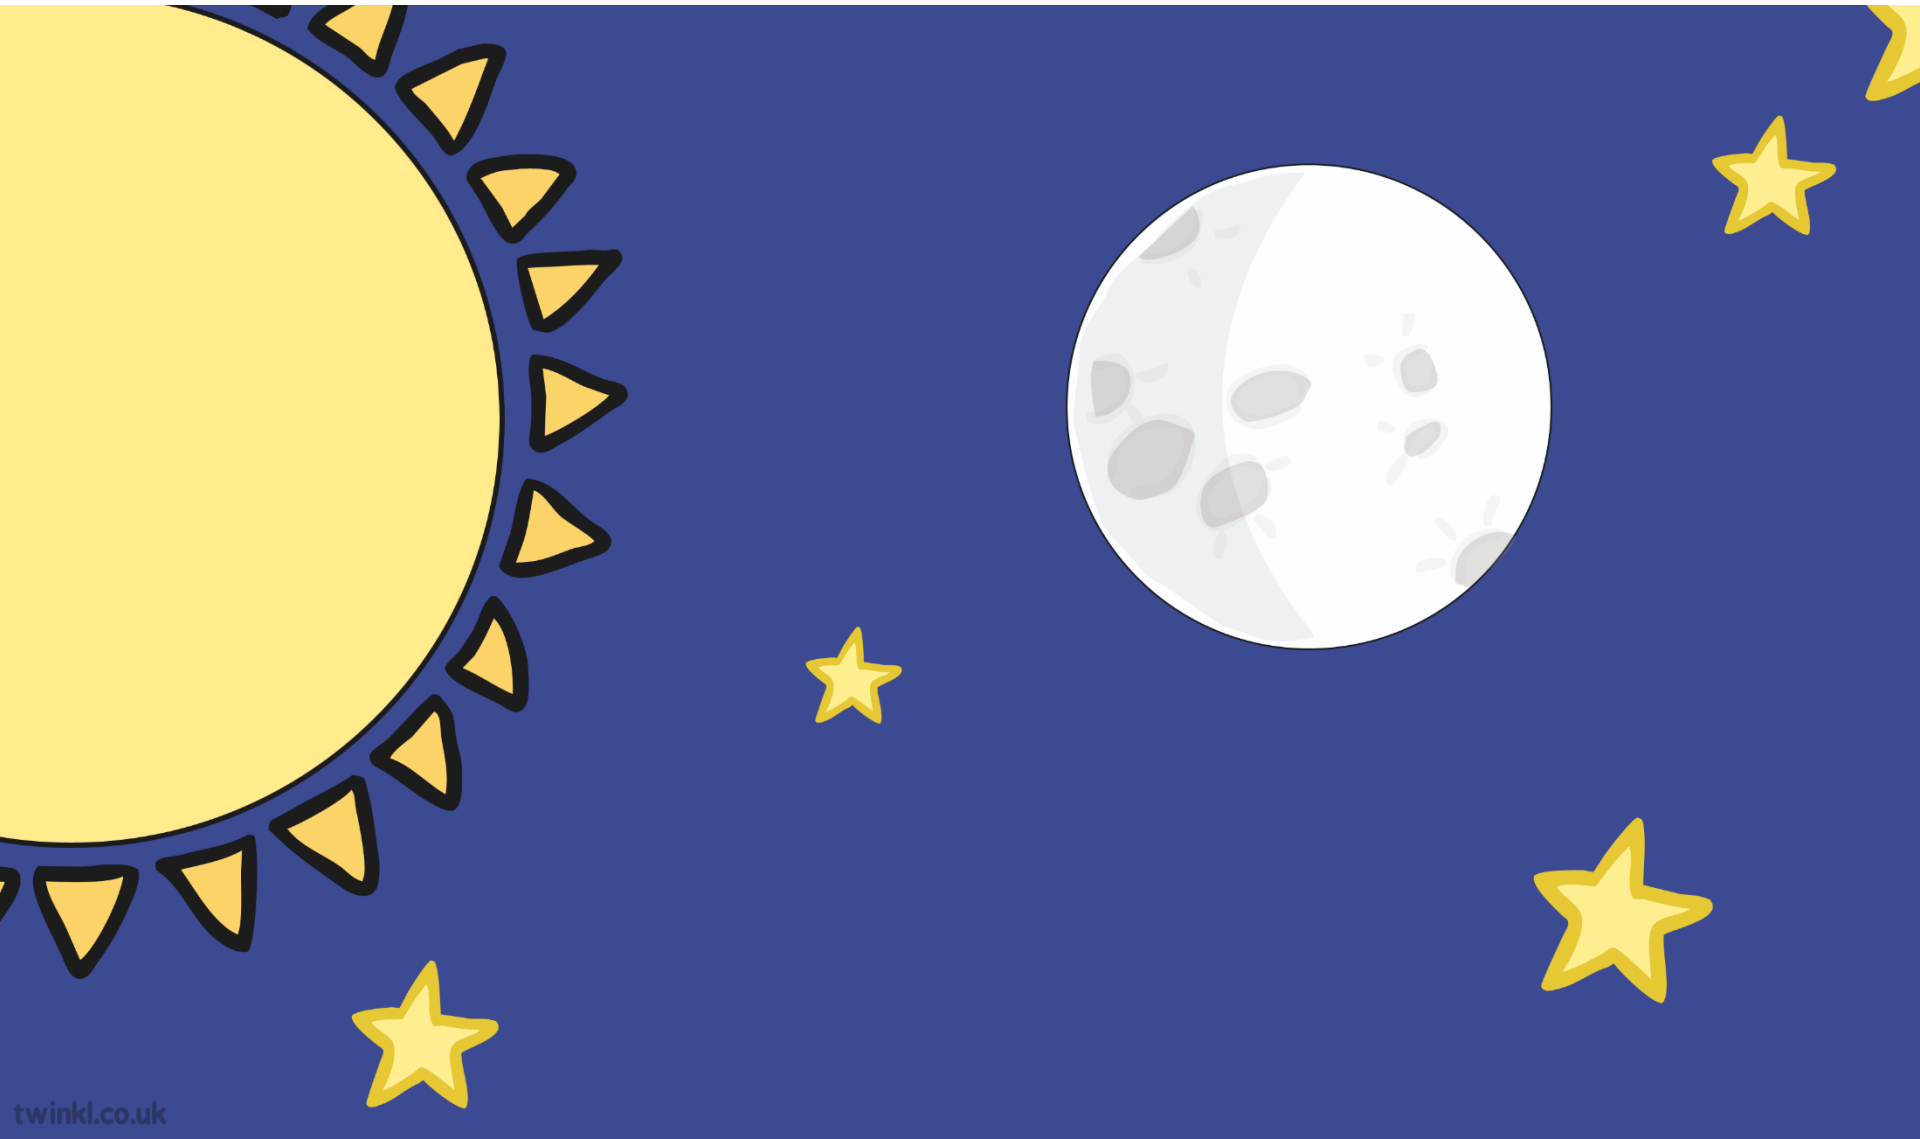

On the second day, God made
the Earth and the sky.

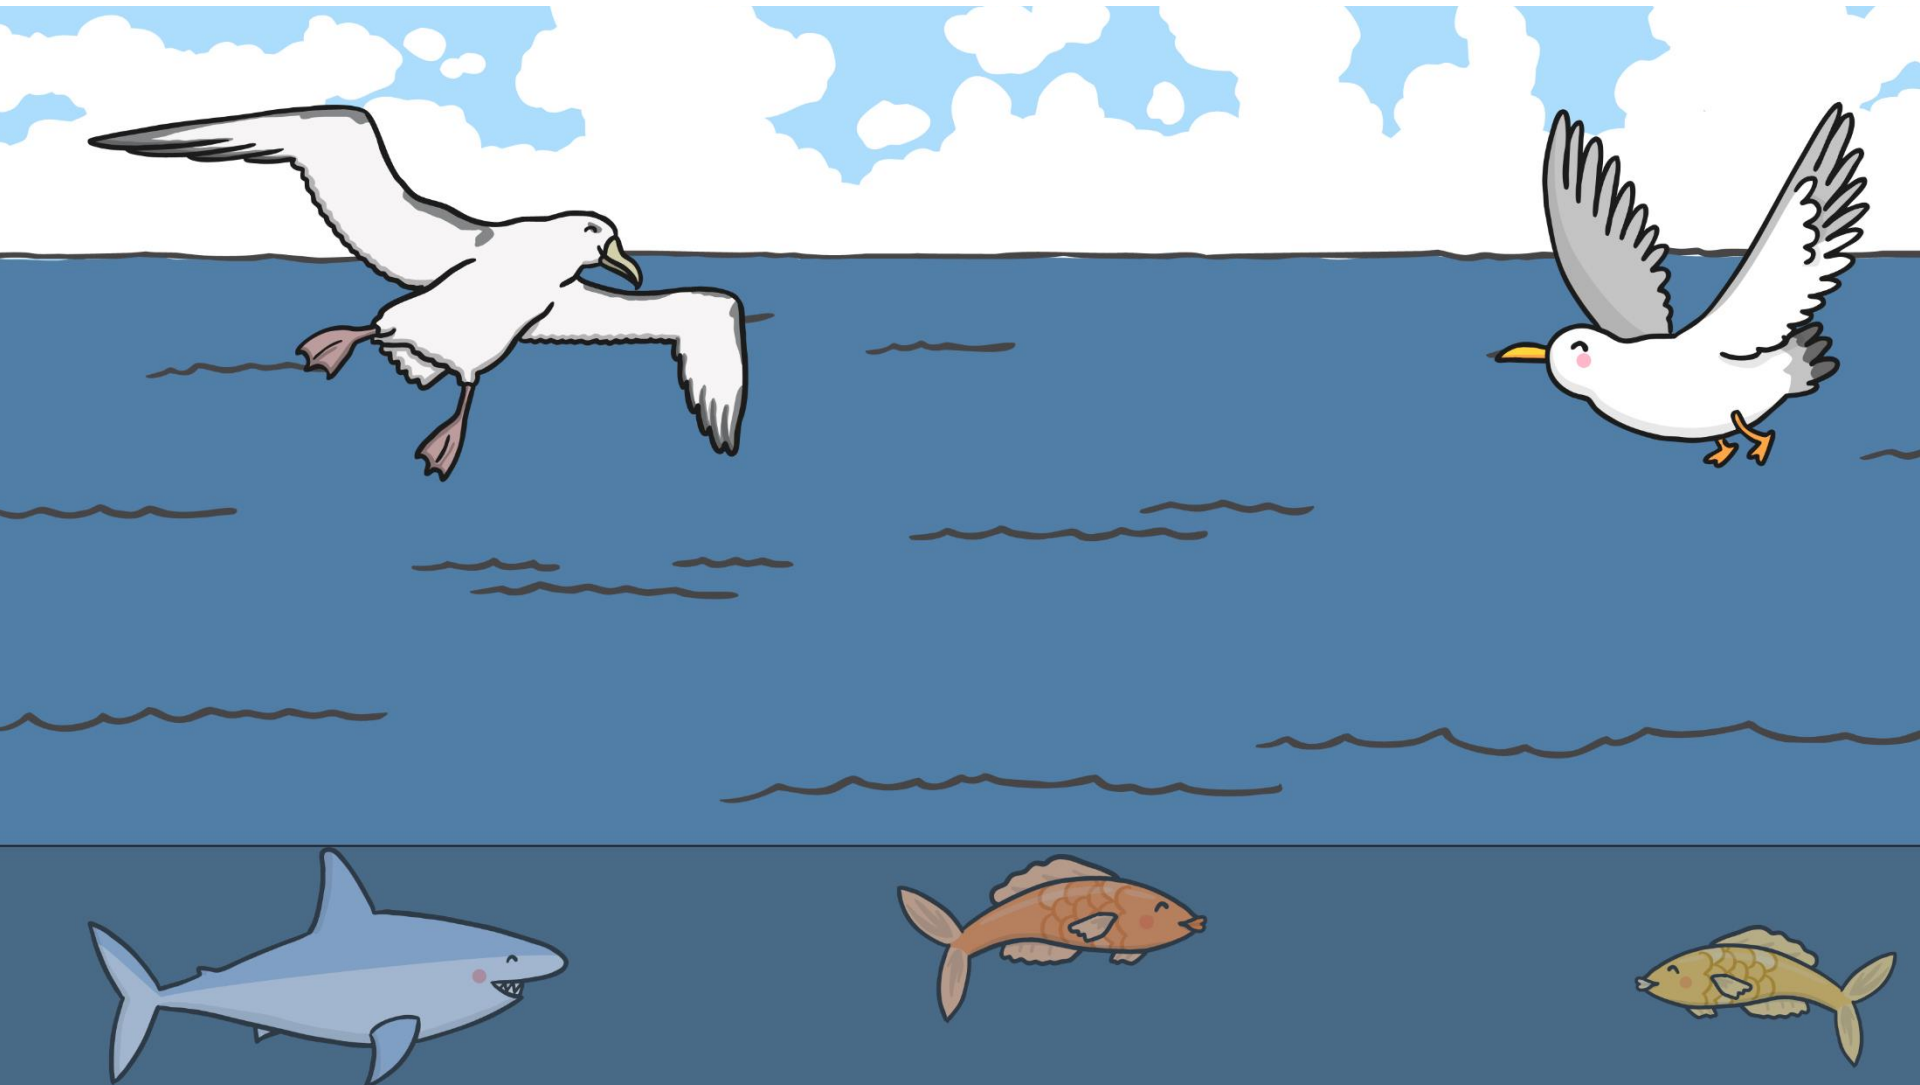

On the third day God created the land and the seas. He also created plants and trees.

On the fourth day God created the Sun, the Moon and the stars.

On the fifth day God created
birds and sea creatures.

On the sixth day, God created animals to fill the Earth. God also created humans to enjoy and care for all that He had made.

On the seventh
day God rested.
God was happy
with all He had
made.
