Fire Breathing Dragon

EAD - Manipulates materials to achieve a desired effect (**EMM**)

EAD - Constructs with purpose in mind using a variety of resources (**EMM**)

EAD - Uses tools and techniques competently and appropriately (**EMM**)

Dragons breathe fires! Today we are going to make our very own fire breathing dragons. We will be using a variety of materials to help us.

Use the instructions on the class webpage to see what you need to use. You can be inventive and use what you have or alternative materials if you haven't got exactly what they suggest - you may need your adult to help you to think what else can be used if this is the case.
