## People who help us - Fire-fighters

**UW** - Enjoys joining in with family customs and routines (PC)

**UW** - Shows interest in people's lives (PC) - People who help us - Fire Fighters.

**UW** - Looks closely at similarities, differences and change (**W**) - Looking at the Summer Season

**PD** - Practices some appropriate safety measures without direct supervision (**HSC**)

We know that Dragons breathe fire and if you touch fire you get burned. Who can help us if there is a fire? Fire-Fighters.

As we are coming into the summer season I expect many of you have had or will have a family BBQ. Watch this video made by the Devon and Somerset Fire Rescue Service to help keep us safe outside during the summer.

### Activities

Make a mind map of all the things which we should do to keep ourselves safe - don't play next to a BBQ, never leave it unattended, don't touch it etc.

Design a Fire Safety poster - think about what the video told you about keeping safe outside and draw pictures to show how to keep safe.
