

Summer 2 Pre-learning - Tawny Owls

Next half term we will be developing our mapping skills in geography and looking at perspective in art.

Activity 1: Have a go at the task below, using compass points for directions.

Activity 2: Use the internet to explore different landscapes (natural and man-made) from above (try searching 'aerial landscapes'). Find one you like and create a copy of it – you could draw, paint or make a collage – be creative !

1) Look at the eight point compass. Label each of the points.

2) Using the map to help you, complete these sentences.
