

## Compare Numbers within 50

### Adult Guidance with Question Prompts

Children use their reasoning skills to identify numbers, interpreting comparative phrases and inequality symbols. They write their own clues for given numbers.

Which of the numbers is more than 30?

Which of the numbers are less than 40?

Which numbers have more than three tens?

Which numbers have less than five ones?

Which number is more than 35 and less than 40?

Which numbers are less than 30 and more than 20?

If 44 was added to the list of numbers, which clues would it fit?

Can you write a clue where all the numbers would fit?

Can you write a clue where none of the numbers would fit?

## Compare Numbers within 50

22	30	17	41
50	29	38	27

Write **all** numbers which fit the clues:

is less than 30	
_____ > 28	
has more than 3 tens	
has 1 ten and 7 ones	
is more than 25, less than 35	
_____ < 30	

Write your own clues to fit some of the numbers:

	41, 30, 38
	22, 29, 27
