

Spring Term 2 – Tawny Owls and Woodpeckers - Pre-learning task

Next half term we will continue to look at the question:

‘Were the Vikings – Raiders, Traders or Settlers ?’

We will continue to learn about the Viking invasion of Britain and how they lived alongside the Anglo-Saxons.

Possible areas to research

- Viking Gods and Goddesses
- Viking longboats
- Viking place names in the UK
- Daily life
- How did the Anglo-Saxons and Vikings live together ?

BBC Bitesize Vikings - <https://www.bbc.co.uk/bitesize/topics/ztyr9j6>

In Science we will continue to look at materials including reversible and irreversible changes.

At home you could try

- Melting chocolate
- Making ice and letting it melt
- Frying an egg
- Mixing bicarbonate of soda and vinegar
- Baking a cake

Make sure an adult is supervising if you try out any of these activities.

You could use the internet or the local library to help you with your research.

How you choose to present your pre-learning is entirely up to you.

(writing - fact files, story, poetry; art; model; music; maps)

We look forward to seeing your learning completed to a high standard.

Mrs Williams and Mr Ogilvie
