

Autumn 2 – Tawny Owls and Woodpeckers - Pre-learning task

Next half term our question in Geography will be:

‘How is the River Danube used ?’

In Science we will be looking at ‘The Earth and Space’.

You can choose to link your pre-learning task to either Geography or Science.

How you choose to present your pre-learning is entirely up to you.

(writing - fact files, story, poetry; art; model; music)

Geography	Science
Find out about the River Danube. Where is it? Which countries does it flow through?	Find out about the Sun.
What is the like scenery near the River Danube?	Find out more about one of the planets in the solar system - Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus, and Neptune.
How is the River Danube used? What can you do on the Danube?	Find out more about the moon and the astronauts who visited it.
How is the River Danube linked to a composer?	
Can you find out the link between the Danube and Space?	
Useful websites
