

Tuesday 19<sup>th</sup> January English lesson

LO: Explore character feeling

Starter - recap using the prefix -un

When we make a word into its opposite we can sometimes add the prefix -un, can you do that for these character feelings in the table below:

happy	
kind	
afraid	
lucky	

Lesson - key vocabulary: prefixes -un and -dis and the idea of contentment

Please follow the input video on the class dojo / the website.

Independent task:

Complete the I feel contented and I feel discontented sheet. Try to use a conjunction: **and, but, so, because** and good adjectives to describe when you experience contentments and discontentment.
