

Home Learning Challenges – Tawny Owls

Summer Term 2

David Roberts' Delightfully Different Fairy Tales
The True Story of the Three Little Pigs
by Jon Scieszka.

How can we see things from a different perspective ?

You can choose how you would like to present your home learning.

We are looking forward to seeing your home learning completed to a high standard.

Find any versions of fairy tales you have in books at home. Which versions do you like and why ?	Draw a map of where you live. Give it a key to help someone else see what is in the area e.g. church, shop etc.	Create a piece of art work which shows something ordinary in a different way.	Write a fairy story from the perspective of a different character e.g. The Three Bears in Goldilocks and the Three Bears.
How might people's perspectives change as they age? Interview older relatives about an issue e.g. the use of technology. Are their views the same as yours or different ?	Write a newspaper report from the point of view of a Traditional Tale character e.g. the giant in Jack and the Beanstalk.	Create a piece of music linked to the idea of a different perspective.	Go out for the day and use a map to find your way around. Did you find it easy or hard? Did you use a paper or online map ?
