

## Home Challenges - Hedgehog Class

### Autumn Term One - Super Duper Us

**Please note: daily reading is the most important, regular homework and it is essential that your child brings their book and reading record into school every day.**

If you do complete any of these activities, please hand in on a Friday.

<p>Create a 'count on me' poster that shows the special numbers in your life - e.g. your house number, the number of girls in your family. Can you create any calculations with these special numbers?</p> 	<p>Create a hedgehog vocabulary poster. Make it bright and colourful.</p> <p>spines    hoglet</p> <p>hibernate    nocturnal</p> <p>array</p> 	<p>Read a book about family, the body or hedgehogs with someone and write a review about it.</p> 	<p>Write down questions to ask an older family member about what changes they have seen. Don't forget to record the answers too.</p> 	<p>Create a family tree, so we can learn all about the special people in your life.</p> 
<p>Go on a 2d or 3d shape hunt around your house, make a list (maybe even a photo list) of the shapes that you spot - can you name and count them?</p> 	<p>Create a map of your journey to school. What human and physical features do you pass?</p> 	<p>Research some facts about one of the capital cities of the UK: Cardiff, London, Belfast or Edinburgh, decide how you will present your facts - electronically or written.</p> 	<p>Create a self-portrait using any type of art or craft to complete it.</p> 	<p>Wild Card - Get creative and do something of your choosing that is linked to yourself or hedgehogs. The sky is the limit!</p>
