

Do they match? Tick or cross.

Example

		<input checked="" type="checkbox"/>			<input type="checkbox"/>
		<input type="checkbox"/>			<input type="checkbox"/>
		<input type="checkbox"/>			<input type="checkbox"/>
		<input type="checkbox"/>			<input type="checkbox"/>
		<input type="checkbox"/>			<input type="checkbox"/>
		<input type="checkbox"/>			<input type="checkbox"/>

Talking Tip

The focus here is comparing hand arrangements with dot arrangements. Ask your child to look at the hands image on the left and say the number it represents. Then ask them to say whether it matches the dot card to the right. Notice if your child is struggling with any of the images. If they are, go back and repeat the activities and exercises earlier in the book.
