Task: Draft page 2 – Why visit Bristol?

In today's lesson I drafted my second page of my leaflet. This section was encouraging people to come and visit the city. What can they do there? What can they see?

I used my work from Monday to help me create interesting sentences using the senses to guide me.

Why visit Bristol?

- Bristol is full of wonderful things to see and do right in the heart of Somerset.
- In Bristol you can see the amazing work of Isambard Kingdom Brunel by visiting the Clifton Suspension Bridge or SS Great Britain.
- You can taste the sumptuous food by the harbour side and hear the hustle and bustle of people in the thriving shopping centres and markets.
- You can enjoy the smells of spring and visit one of Bristol's 400 parks and gardens.
- 'We are the Curious' offers hands on experiences to discover the wonderful world of science.
