LO: Editing and publishing

Part 1: Editing (Video modelling this will be on the website):

Read back through your poem from yesterday. Read it out loud and check it makes sense.

Look through the success criteria and work through each item one at a time.

If you have included the success criteria objective then tick it if you have not you must fix it before you can tick it.

Success Criteria

The poem must...	Tick or fix
Fred talk for spelling	
Use commas for lists	
Use rhyming words	
Use alliteration	
Repeat the first and last line	

Part 2: Publishing

Once you have edited and improved your work it is time to publish it.

You may do this in any way of your choosing. You might like to type it on a computer. You might want to design a background or page boarder than copy it out in your neatest handwriting.

This is your choice and you can be as creative as you like.

Remember to send your teacher a photo of your finished product so we can share your hard work with your classmates.
