LO: Performing a poem

Today I would like you to get practical in your learning. You have written your own poem based on the town so I would like you to perform this like a true poet!

You can add actions and steps to match each word or you can just have your voice recording over a background.

Key points to remember when speaking out loud:

- Think about your audience and where they are
- Speak clearly and loudly
- Don't rush

Send your teacher a video of your performance using Dojo's portfolio or messenger tools. We look forward to seeing what you come up with!
