

Thursday 4th February LO: To compare versions of a known text

Starter activity: Brown has the rhyme -own at the end. Set yourself a ten minute challenge to see how many -own rhyming words you can write down in that ten minutes, e.g. clown, brown, town etc.

Main activity: We have been reading a version of the traditional tale *The Town Mouse and The Country Mouse* retold by Helen Ward. Please watch this alternative version of the same traditional tale: https://www.youtube.com/watch?v=Kkw_uNmCUq4 Then, in your book or below, please divide your page in half and label one side similarities and one side as differences. Please record in full sentences at least 3 things you have noticed that are the same and three things that are different in the two versions.

Things that were the same	Things that were different
