

## Home Challenges - Hedgehog and Kingfisher Class

### Autumn Term Two - Why is space super?

**Please note: daily reading is the most important, regular homework and it is essential that your child brings their book and reading record into school every day.**

<p>Create your own alien. Draw and label any unique features and body parts.</p> 	<p>Write an acrostic poem for a planet.</p> 	<p>Read a book about space or by our Author of the Moment: Oliver Jeffers. Write a review about it.</p> 	<p>What ten things would you take with you on a trip to outer space? Write a list and give a reason for each object.</p> 	<p>Work with a friend or family member to make a space themed quiz! Remember you need to know the answers too.</p> 
<p>Draw a space scene using <b>only</b> 2D shapes.</p> 	<p>What countries have put astronauts into space? Mark them on a map.</p> 	<p>Why does the moon change shape? Research the phases of the moon and why it appears differently to us on Earth at different times.</p> 	<p>Create a space mobile that could hang in the classroom.</p> 	<p>Wild Card - Get creative and do something of your choosing that is linked to yourself or hedgehogs. The sky is the limit!</p>
