

Home challenges – Otters and Squirrels

Autumn Term 2

Text – Here We Are Oliver Jeffers

Topic link: Physical geography and human exploration.

Please colour each activity you have chosen to complete, include the date and bring into school on Thursdays.

You can choose how you would like to present your home learning. We are looking forward to seeing your home learning completed to a **high standard**.

<p>Design a leaflet to inform other children how to take care of the natural environment.</p>	<p>Being kind to our planet and people is important. With your family, plan and carry out 5 acts of kindness for people in your family and/or community.</p>	<p>Using foil, white/ silver paint, glitter or chalk, draw and name 3 famous constellations. Can you spot them in the night sky?</p>	<p>Who first set foot on the moon? Make a rocket out of junk.</p>	<p>Think of a mnemonic to help others remember the order of the planets.</p>	<p>Watch this video trailer for the book. Could you make your own trailer for this book (or another one of your favourite books)? https://www.youtube.com/watch?v=V_7IkRYfjvY</p>
<p>Write an invitation to an alien species, explaining what planet Earth has to offer.</p>	<p>Invent a new planet. Describe the physical geography of the land, the atmosphere, species and nature that can be found there.</p>	<p>Draw or photograph yourself. You are a human but what makes you different from everyone else? Write at least 5 special things that makes you UNIQUE.</p>	<p>Draw and label an astronaut's suit.</p>	<p>In 'Here We Are' the dodo explains that it isn't supposed to be in the book. Why is this? Can you find out about other animals that have become extinct? What can we do to protect animals on our planet?</p>	<p>Watch: https://www.youtube.com/watch?v=iYXBJmrsxZU Write a poem entitled: What a wonderful world. Perhaps you could find out about David Attenborough's life.</p>
