As you are watching think of how you can describe the Iron Man's movements.

Your task

Here is the description of the Iron Man from chapter one.

Taller than a house, the Iron Man stood at the top of the cliff, on the very brink, in the darkness. The wind sang through his iron fingers. His great iron head, shaped like a dustbin but as big as a bedroom, slowly turned to the right, slowly turned to the left. His iron ears turned, this way, that way. He was hearing the sea. His eyes, like headlamps, glowed white, then red, then infra-red, searching the sea. Never before had the Iron Man seen the sea
