

LO: Colour Wheel

Primary colours

- Red
- Yellow
- Blue

These cannot be made from any other colours

Secondary colours

- Orange
- Green
- Purple

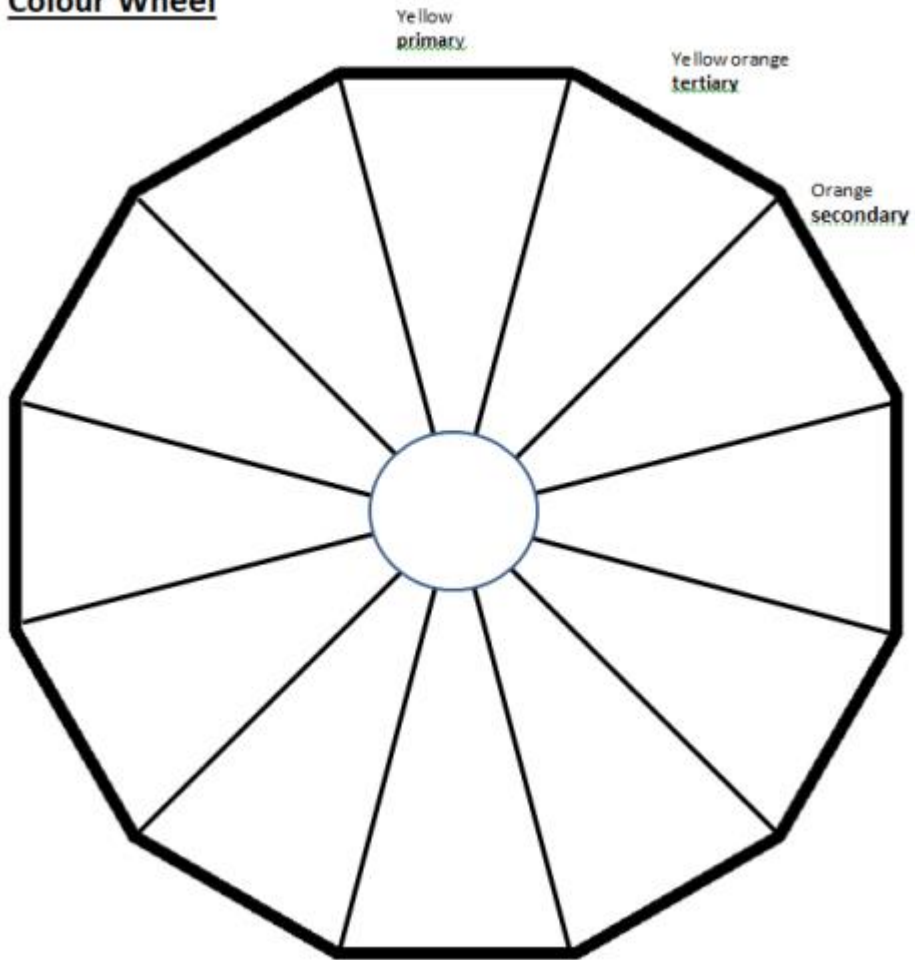

These are made from mixing two primary colours together e.g. red and yellow make orange.

Tertiary colours

These are made by mixing a primary colour and a secondary colour together. E.g. red and orange make a tertiary colour.

Use the template below to create your own colour wheel. If you prefer you may make your own from scratch.

Colour Wheel

Challenge: Can you name all the colours in the wheel IN FRENCH?!
