What are settlements?

Settlements are places where people live and sometimes work.

They can be small or large depending on how many people live there and how many facilities there are.

Facilities are places where certain things happen, for example, schools for education, parks for playing or shops for selling things.

Talk time: Describe the facilities there are near Rockwell Green School.

Is Wellington a hamlet, village, town or city?

Use Google Maps or an ordinance survey map to have a look around your local area.

Can you see any villages near to Wellington?

Name the city closest to Wellington.

Which main road connects Wellington to these cities?

You can drag and drop the yellow person onto a place on the map.

Drag and drop the yellow person into the middle of a village, town or city. Can you spot any facilities?

There are hamlets, villages, towns and cities located all over the UK but what is the same and what is different about these settlements?

Create a poster on paper or on the computer (Word/ Power Point) using facts and pictures to explain the key features of a hamlet, village, town and city.

There is a writing frame for you on the next page if you wish to use it.
