

Initial Hook / Wow:
Arts Week

Experience / Opportunity:
Jorvik on-line Viking experience

Audience / Purpose / Product:
Create Viking longboats.

English:

Theme:
We will be linking English with our topic on Vikings and the animation 'The Saga of Biorn'.

Writing Outcomes:

- Narrative writing
- Poetry—Kennings

Spelling, punctuation and grammar

- Identify verbs and use the correct verb tense in writing including passive verbs, the perfect form, the subjunctive and modal verbs
- Use brackets, commas or dashes to indicate parenthesis
- Use inverted commas and other punctuation to indicate direct speech
- Use knowledge of morphology and etymology in spelling and understand that the spelling of some words needs to be learnt specifically
- Use dictionaries to check the spelling and meaning of words
- Use a thesaurus

Science:

Properties and changes of materials
We will compare and group everyday materials on the basis of their properties. We will investigate dissolving and separating. We will give reasons for the particular use of everyday materials. We will identify and demonstrate reversible and irreversible changes.

Art and Design & Technology:

We will develop our skills by designing and creating Viking longboat figureheads out of clay.
We will develop our modelling skills by creating Viking longboats out of cardboard.

Maths:

Area, perimeter, position and direction.

- Pupils explain how to calculate the area of a parallelogram and a triangle.
- Pupils explain why shapes can have the same perimeters but different areas and vice versa.
- Pupils describe positions on the full coordinate grid (all four quadrants)
- Pupils draw and translate simple shapes on the coordinate plane and reflect them in the axes

Fractions and percentages

- Pupils explain reason and apply their knowledge of how to write a fraction in its simplest form by solving addition, subtraction and multiplication problems.
- Pupils explain, using an image, how to add related fractions (unit fractions)
- Pupils explain what is meant by 'related fractions' and know how to add and subtract them.
- Pupils use their fraction sense to fraction addition, subtraction and comparison
- Pupils explain how to add or subtract non-related fractions with different denominators and solve problems involving them
- Pupils explain how to compare pairs of non-related fractions (converting to common denominators)

**School Value
Friendship**

Vocabulary:

Anglo-Saxon	saga
Dane	Valhalla
Danegeld	Viking
Danelaw	material
Invade	solid, liquid, gas
Longship	property
Monastery	dissolve
Norse	separate
Pagan	reversible
Pillage	irreversible

History: The Vikings

We will explore who the Vikings were and where they came from and during which time period. We will look at the reasons for raiding and settling. We will look at why they were so successful at raiding, their beliefs and their impact on the Anglo-Saxon Kingdoms during the ninth century.

Computing:

Purple Mash unit 6.3—Spreadsheets. We will investigate probability, calculate discounts and create a formula to help with this, create a spending and savings spreadsheet and plan a school charity day using a spreadsheet.

French:

Salut — Eating Out
Listen attentively to spoken language and explore patterns through conversation.
Read carefully and show understanding of words, phrases and simple writing.
Write phrases from memory, and adapt these to create new sentences, to express ideas clearly.

Music:

The children will learn and perform the Viking chant Starka Virna.
Children will then compose their own Viking chants adding instrumentation to their compositions.

Religious Education:

This half term we will be learning:

- The meaning of atonement
- That Christians emphasise Jesus is the saviour of the world
- How reconciliation works
- That Easter celebrates Jesus dying to take punishment & pay debt of sin.
- That Jesus rose & have eternal life through faith in him

PSHE:

Keeping Safe

Physical Education:

Real PE— cognitive and Real Gym.
