

Wednesday 3rd February 2021 LO The ten plagues

During this time in ancient history (3000 years ago) the Jews (Hebrews) were slaves to the Egyptians, but God told His prophet Moses that it was time for them to be free.

Moses told the ruler of Egypt to let the Jews go because God had sent him, but the Pharaoh would not allow it! Because the Pharaoh did not listen to Moses, God brought ten different plagues over Egypt to convince him to free the Jews.

Have a look at this page: <https://www.bbc.co.uk/bitesize/clips/zbsb9j6>

To do:

Part one: Illustrate and label (remember you capitals) the ten plagues which God sent to punish the Egyptians.

OR Write a newspaper report/ film a news report explaining what has happened in Egypt.

Part two:

When eventually the Pharaoh released the people of Israel, God parted the Red Sea so the Jews could escape. This was a miracle.

What do you think a miracle is? Look it up in a dictionary.

Can you describe a modern day miracle?
