

Monday 1st June 2020

WALT: Fluency

+ and -

$$572 + 80 =$$

$$661 - 400 =$$

× and ÷

$$55 \times 10 =$$

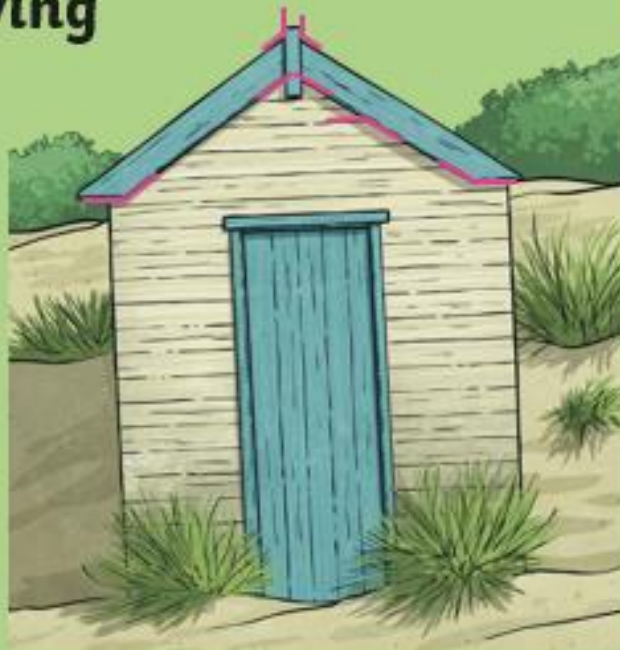

$$450 \div 50 =$$

Problem Solving

Which angles are bigger than a right angle?

Answers:

- a. 652
- b. 261
- c. 550
- d. 9
- e. Use a corner of a piece of paper to measure. You could draw out the beach hut if you want.
