WALT: Shape poetry.

Look at this poem- see how the words create the shape of the fish?

Patrick Lashmar writes a lot of shape poems:

Can you write a shape poem about something that you may find in or near water?

Tip: draw a simple outline of your idea first and then you can write on top of the line to create the shape. You can also draw inside the lines to create a shape poem:

Shape
Poem
This is a shape
poem. It is about a
house. As a shape
poem, it forms the
shape of a house. This
is a little house so it
would be a little
poem **if it**
were a poem.
But it's not be-
cause a poet I'm not!
