

WALT: Shared reading.

a. Find and copy two synonyms that have a similar meaning to rubbish.

Trash, garbage

b. Define 'humanity'.

All human beings/ human race

c. Find a word in the text which makes sense in this sentence:

Every problem has a _____.

solution

d. Imagine Earth really has become uninhabitable for humans.

What would we do? Where would we live? What would happen to the human race?

Pupils come up with their own ideas here- for example:

- **Humans would have to clean up the planet somehow**
- **They could leave and try and find another planet to live on**
