

Home Learning Challenges – Otters and Squirrels Class

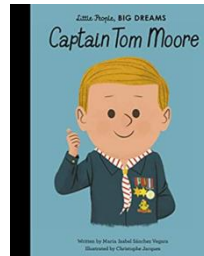

Spring Term 2

Inspiring People, Inspiring Places

We will be exploring inspirational people such as Tom Moore and Mae Jemison. In geography we will learn about places in the UK – countries, cities and counties and places of interest, both locally and nationally.

Books: 'Mae Among the Stars' by Roda Ahmed, and class read: 'Wonder' by R. J Palacio

This home learning is optional.
You can choose how you would like to present it.
We are looking forward to seeing your learning completed to a high standard.

Create a fact-file about someone you find inspirational

Create a poster about special places you can visit in Somerset / Devon

List the 4 countries of the UK- draw their flags and list the names of their capital cities.

Ext: List the capitals of Europe

Create a fact-file about Wellington Town:
How many people live here?
Important buildings?
Things to do nearby?

Create a colourful poster all about your hopes and dreams for the future

Plant and grow a sunflower – how tall will it grow?

How many places called Wellington are there in the world?
Can you locate them on a world map?

Interview somebody from home who you find inspirational.
What achievements are they proud of?
How did they get to where they are now?
