

## Results and Conclusions

### Which liquid does the least damage to egg shells?

liquid	smells like	looks like	feels like	Score 1-5 1 = undamaged, 5 = very damaged
milk				
cola				
water				
orange juice				
<b>Conclusions</b> (what the results show and how it will affect drinking habits)	The egg shells were damaged least by I think this was because I will drink more _____ and less _____ because of my findings.
