

LO: Final piece

Over the next two lessons I would like you to create your final piece for this theme of learning. Remember to take your time and focus on the drawing skills (use of line) we have focused on and the painting skills (brush strokes going the same way).

We have looked at:

- 1: Complementary colours
2. Drawing whole people with correct proportions.

Your final piece will be a pencil drawing of a whole person. They can be doing an active pose like we practiced last week.

You are then going to paint (if you have some at home) or colour your final piece using complementary colours. **Complementary colours are colours opposite each other on the colour wheel.**

Remember to take a picture and upload to your portfolio or send to me in a message.
