LO: Salvation, why is Good Friday good?

Task 1

Watch the video below about the crucifixion scene.

Write down what ever words come to mind when you watch the video e.g. upsetting, sad, tragic, cruel.

Although the crucifixion is upsetting, Christians believe that the cross provided Christians with a connection between sin and God. The symbol of the cross brings Christians salvation and forgiveness for the sins they have committed.

Task 2

Here is a picture that helps Christians to understand why Jesus death on the cross is so important:

1. Can you explain the picture?
2. Why do you think Christians call Jesus 'the saviour'?
