Spring Term

The Explorer

What's happening to our planet?

Please colour each activity you have chosen to complete, include the date and bring it in to school every Thursday. We are looking forward to seeing your homework completed to a high standard.

Don't forget you still need to read every day, practise spellings you have been given and your times tables.

<p>Write a biography of a famous explorer. This could be a modern explorer or one from history.</p>	<p>Create a rainforest board game using as many areas of arithmetic as you can.</p>	<p>Find out about tribal people who live in the Amazon Rainforest.</p>	<p>Build a small model of a shelter you might make if you were stranded in the rainforest.</p>	<p>How would you feel if you were stranded in the rainforest? Describe what personality traits might help you to survive. Think about what helped the characters in the book.</p>
<p>Write a book review of The Explorer. Give enough detail to persuade people to read the book without giving the story away.</p>	<p>Draw a diagram to illustrate what percentage of the Amazon rainforest has been destroyed. What is this as a fraction?</p>	<p>Find out about a rainforest plant or animal which is at risk of extinction and create a poster to persuade people to protect it.</p>	<p>Write a song or poem about the destruction of the rainforest or other environmental issue.</p>	<p>Write about a person who inspires you. What have they done? Why is it inspirational?</p>
<p>Research a biome. Present the information in an interesting way and include details about climate and animals.</p>	<p>Create a line graph or bar chart showing the average temperature or rainfall of a biome. Extn: compare 2 different biomes</p>	<p>Find facts and figures relating to plastic pollution in the world.</p>	<p>Explore the recycling symbols on different packaging. Can you find out what they mean? Use this website to help you https://www.recycle-more.co.uk/household-zone</p> 	<p>Make a picture or sculpture using recycled materials</p>
