

Our exciting new topic after half term will be SPACE and thinking about why is space so super?

Therefore, we would like you to complete a pre-learning task over the half term to get you in the space mood. You have an option with this pre-learning task to either complete the attached read and colour planet names sheet, or to go a bit more crafty and to make a planets picture, such as the one below:

Please return into school on Tuesday 1st November.

We look forward to seeing your space creations,

Mrs. Isherwood and Mrs. Allen
