

Spring 2 - Otters and Squirrels

Pre-learning task

Next half term our learning theme will be:

Inspirational People, Inspirational Places

We will be exploring the life of Sir Captain Tom Moore, the veteran who raised over £30 million for the NHS during the 2020 coronavirus pandemic, as well as looking at inspirational sports people for our biography writing. In geography we will be exploring counties and cities and naming some key geographical features of the UK.

In preparation for this new topic, we would like you to either:

- 1) Write some facts about somebody you find inspirational. For example, this might be a family member, a sports person, a musician or an explorer.**

Or

- 2) Draw or provide photos/pictures of a place that is special to you or inspires you and explain why it is important. This could be somewhere in Wellington, or a special place you have been to on holiday. It could also be somewhere you would really like to go to but haven't been to yet.**
