LO: Comprehension - Viking Food and Drink

Answers

Retrieval

1) What did the Vikings do with the left over buttermilk?

The Vikings drank the buttermilk.

2) What machine was used to make their tools and crockery?

The Vikings used a lathe.

3) How did the Vikings cook their food?

The Vikings cooked their food over fires and using a 'spit' for meat. They also smoked food to preserve it.

Words in context

4) Find and copy a word which means 'to make something last longer'

Preserve

Inference

5) Would you like to eat like a Viking? Explain why?

Various answers with reason given. e.g.

I would like to eat like a Viking because I like food that's cooked over a fire like a BBQ. I also like nuts and berries.

I would not like to eat like a Viking because they ate a lot of meat.
