LO: SCARF - Would you risk it?

Consider the following scenario:

Chris has a new game for his computer which he has saved up for ages using money from his paper round and his birthday. His best friend Tyler comes round to play it with him after school. Before he goes home, Tyler asks if he can borrow it to show his brother. Chris is not sure about lending it out but Tyler keeps pestering him saying things like, 'I always lend you my stuff. Come on, be a mate.'

What thoughts might be running through Chris's head as he decides what to do?

Think about the risks if he does or doesn't lend the game to Tyler.

Complete the What should Chris do? activity sheet.
