**WALT: Describe the Kraken**

Now that you have written some sentences about different parts of the Kraken, your task today is to pull all of your ideas together and write a paragraph describing this ferocious beast.

Areas to describe:

- Its huge size
- Tentacles and suckers
- Smell
- Gaping jaw / teeth / tongue
- Skin – colour and texture
- Eyes
- Its nature or character – fierce, merciless, cruel etc
- How it hunts or destroys ships

Remember to use all of your descriptive techniques:

- Expanded noun phrases with carefully chosen adjectives and
- Similes and metaphors
- Powerful verbs to describe movement
- Well-chosen nouns e.g. try using 'maw' or 'jaws' instead of mouth
- Vary your sentence starts to avoid over using 'It has' or 'It's' too much
  - Use adverbial phrases
  - Use prepositional phrases

e.g. Along it's vast, writhing tentacles were .....

Not only does the Kraken have..., but it also ....
