

**Home Challenges – Otter and Squirrel Class This is a 5 Summer 1 Where does the river flow?
week term, including a Health week**

Choose from the home learning challenges below. Please colour each activity you have chosen to complete, include the date and bring it in to school every Wednesday. We are looking forward to seeing your homework completed to a high standard and thought about carefully.

Please ask if you need any help or resources. In addition, please remember to complete the Maths Homework book, Spell Shed, TTRS and reading practise. Thank you. If you need any resources please ask.

Write a poem about a river or river creature.	Produce a fact file About the longest river in the world.	At a river's estuary people enjoy sailing. Draw some symmetrical designs for a sailing boat's sails.□	Draw or paint a picture of a river scene. You could use water colours or any medium you choose.	Make a model of a boat. This might be a sailing dinghy, barge, canoe, tanker or any other boat you might find on a river.	Name/ research/ describe/ draw/ collage 5 different water sports people enjoy.
Name / draw on a map, 5 important buildings or tourist attractions next to over the River Thames.	Write a leaflet that helps people understand the importance of saving water.	Create a rain maker instrument, using small pebbles or seeds. Could you decorate using a river theme?□	How can river power be used to create clean energy?	In science we will be learning about electricity. Make a warning/ safety poster or leaflet to teach people about the dangers of electricity and water.	Plan/ draw/ create a healthy balanced lunch/ picnic.
