

Pre-learning Geography Summer 1 Year 3 / 4

Where does the river flow?

Visit your local river or stream. What do you notice about how the banks of the river? Are there any beaches? Can you see any creatures living in the water? Perhaps you could take a beach net with you. Can you identify any of the plants or trees living next to the river? Take pictures/ draw what you find.

There are lots of fun things to do. I wonder which activities you will choose.

Remember if you feed ducks- do not give them bread.

DO: Feed ducks **cracked corn, oats, rice, birdseed, frozen peas, chopped lettuce, or sliced grapes**. These foods are similar to natural foods ducks will forage for on their own.
